HOW DOES THE SUMMER PROGRAM WORK?

Most of the courses have pre-course reading assignments and post-course projects. In the undergraduate courses, the class material is presented in a one- or two-week module that includes additional assignments during the week.

Online classes are also offered through Multnomah University.

Registration is through May 23. Full payment is due by the Friday before each class starts. (A payment plan is available for a fee of $20.)

Late Registration: May 24 through the first day of class. Please contact the Registrar's Dept. if you are unable to attend your scheduled courses. Current students will be able to register for summer school online from March 3 - May 23. After May 23 registration changes must be made through the Registrar's Dept.

New students will be able to register by contacting the Registrar's Dept. after they have applied and been admitted to the school. The Registrar's Dept. can be reached by e-mail at registrar@multnomah.edu.
