Eligibility – At least one head-of-household must be enrolled three-quarter time at Multnomah University to persist in campus residency (6 credits for graduates, 9 credits for undergraduates). To remain eligible for housing, the residents must also abide by University policies outlined in the appropriate student handbook (specific to each program), the Rental Agreement, and the Family Housing Handbook. Samples of these materials may be obtained by emailing housing@multnomah.edu.

Restrictions – MU Family Housing is purposed for and limited to students along with their spouse and/or dependents. Children 18 years or older are not considered a dependent by the University and are therefore not permitted to occupy Family Housing, unless special approval is granted. No pets, alcohol, tobacco, marijuana, illegal drugs, weapons and/or firearms or open flames (including burning candles) are permitted in or on MU property. After you apply – Housing staff will review your application for Family Housing when it is received. You will then be contacted by phone or email stating if your application was approved or denied.

If your application is approved, you'll be placed on the Family Housing Wait List. Every effort will be made to contact you with at least one month's notice of a unit being available. Before move-in you'll be required to sign a fixed-term housing Agreement that begins the date of your move-in and ends May 31st (or the close of your academic term), pay a remaining $550 toward your refundable security deposit, and pay prorated first month's rent.
