

April 7, 2008

Dear Multnomah Family,

All of us have been impacted by the sudden deaths of Laura Silva and Tony Silva. The families have arranged a memorial service for both Laura and Tony this Thursday morning at 10:00 am at Good Shepherd Community Church in Boring, OR.

Because this is scheduled during our Maundy Thursday chapel, I have decided to cancel our Thursday chapel to give as many students, faculty, and staff an opportunity to attend this memorial service as wish to. All indicators suggest the service will be crowded. You may wish arrive early and factor travel time into your plans.

Faculty, please be generous in your attendance requirements for classes on Thursday, not only for students who wish to attend the service, but also for others who may wish not to attend classes that day to process their grief.

I know the families would appreciate your prayers for them during this very difficult time of loss.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel R. Lockwood". The signature is fluid and cursive, with the first name "Daniel" being the most prominent.
