How much does it cost?

Undergraduate and International Students	Fall 8/15/14 – 12/31/14	Spring 1/1/15 – 8/14/15
	\$665	\$1083
Graduate, Seminary and Masters Students	Fall 8/15/14 – 12/31/14	Spring 1/1/15 – 8/14/15
	\$882	\$1433

Who is eligible?

All traditional undergraduate students taking six or more hours and all international students are required to carry medical insurance comparable to that offered under the school's Student Health Insurance Plan.

Students may waive the Multnomah University Student Health Insurance Plan if their coverage meets or exceeds the following requirements:

1. Provides coverage for medically necessary care (accident and sickness) in the Portland, Oregon, area. (HMOs providing emergency coverage only or accident-only plans do not meet this requirement.)
2. Will remain in force throughout the academic year.
3. Provides coverage for prescription drugs.
4. Provides inpatient and outpatient mental health coverage.

Students who do not waive the coverage by the waiver deadline of September 16, 2014, will be automatically enrolled on the plan and the premiums will be charged to the student's tuition billing account at Multnomah University each semester, fall and spring.

Please note: If you do not want to be charged for the Multnomah University Student Health Insurance you MUST complete the annual waiver by September 16, 2014, at <https://mystro.benselect.com/NWSHIC>.

For Graduate, Seminary and Degree Completion students coverage is voluntary. If you want to purchase the 2014-2015 Multnomah University Student Health Insurance Plan you need to contact the Wellness Center at Multnomah University for details.

Out-of-pocket maximum: The most you will have to pay out of your own pocket for covered care in a policy year (in deductible, copays and coinsurance). Once you meet the out-of-pocket maximum, your plan pays 100% for covered care for the rest of the year.

Deductible: The amount you must pay out of your own pocket each policy year before your plan begins to pay. Some services, such as preventive care, are covered by your plan before you meet your deductible.

Regence BlueCross BlueShield of Oregon gives you broad access to providers and allows you to control your out-of-pocket expenses by choosing from three categories of providers:

Preferred (Category 1): You choose to see a Preferred provider and save the most in your out-of-pocket expenses. Choosing this option means you will not be billed for balances beyond any deductible, copay and/or coinsurance for covered services.

Participating (Category 2): You choose to see a Participating provider and your out-of-pocket expenses will generally be higher than if you choose Preferred. This is because larger discounts with Preferred providers result in lower out-of-pocket amounts for you. When you choose a Participating provider, you will not be billed for balances beyond any deductible, copay and/or coinsurance for covered services.

Nonparticipating (Category 3): You choose to see a provider who does not have a Participating contract with Regence. Your out-of-pocket expenses will generally be higher than they would be if you saw a Preferred provider. Also, choosing this option means you may be billed for balances beyond any deductible, copay and/or coinsurance. This is sometimes referred to as balance billing.
