How to get there | _____

When to get there | _____

Remuneration information. We prefer to book groups of 40 people minimum. For groups of 40-100, \$200.00 is our customary charge for Portland area events. For those outside Portland, travel expenses will also be added. For groups over 100, direct negotiations will be necessary. Payment is due the day of the event. Meals for the team members will also need to be provided by the hosting church or organization. Is this agreeable?
